PURPOSE OF THE ROLE

Howarth of London is the UK's leading manufacturer of high-quality Oboes and retailer of Woodwind Instruments. We are seeking a full-time Wood Turner to work in our Wood shop at our Manufacturing Division in Worthing. The successful candidate will have an enthusiasm for creating quality products using machine tools. The role demands great precision, an eye for detail and working to fine tolerances. Training will be given.

JOB DESCRIPTION

KEY RESPONSIBILITIES

- Preparing wooden billets for manufacture.
- Preparing instrument bodies for the start of the assembly/build process.
- Using precision workshop machinery.
- Work within fine tolerances.
- Working with other team members to achieve production goals.
- Follow all safety guidelines and maintain a clean and organized work area.

Please note:

This job description is not exhaustive, and amendments and additions may be required in line with future changes in policy, regulation or organisational requirements, it will be reviewed on a regular basis.
